Total income without TAX		19.713,60€

Micro location

Maribor

Maribor is the second-largest city in Slovenia and the largest city of the traditional region of Lower Styria. It is also the seat of the City Municipality of Maribor. Its name comes from the Drava River and includes land on both banks along its course through Slovenia as well as the Pohorje mountains in the northeast of the region. The Drava is used for the production of hydroelectricity and the fertile land around it is used for agriculture. The share of job vacancies in all available jobs is among the highest in Slovenia and the region has a positive net migration rate.

According to 2013 data, the city population is 94.9 thousand people, it occupies an area of 42.1 km².

Maribor is 127 km from Ljubljana, 257 km from Vienna (Austria), 116 km from Zagreb (Croatia).
